SUMMARY

Dynamic and results-driven software engineer with a passion for front-end development, web design, digital content creation, marketing, and community engagement. Proven ability to lead and collaborate in fast-paced environments. Seeking to leverage expertise in marketing and effective design.

EXPERIENCE

Wenatchee World, Wenatchee, WA

Prepress Assistant

APRIL 2023 - PRESENT

- Created document layouts using Adobe InDesign for the print copy of the local newspaper
- Collaborated with the sales team to resolve conflicts with advertisement production
- Reviewed, processed, and tracked production of customer orders to ensure timely and accurate delivery

Circulation and Marketing Associate

SEPTEMBER 2020 - FEBRUARY 2023

- Created concept layouts and published artwork for print, digital, and social media advertising campaigns
- Analyzed sales trends and customer demographics to optimize marketing strategies
- Provided audience insights and digital targeting tactics for in-house campaigns, as well as paid advertisers, to enhance performance
- Crafted compelling presentations, including campaign proposals, and conducted comprehensive evaluations to drive continuous improvement

Advertising Account Manager

JANUARY 2020 - SEPTEMBER 2020

- Developed customized marketing solutions to increase sales and brand awareness
- Created advertisements and messages for various publications, meeting strict deadlines and sales goals
- Collaborated with cross-functional teams to execute successful advertising campaigns
